## CHEMIST KILLED BY DEADLY GAS

Breaking of Retort and Consequent Liberation of Hydrocyanic Acid Causes Death of Student.

New York, Dec. 12.—A whill of hy-drocyanic acid gas caused the death resterday of Arthur H. Koelher, a young German chemist at the Roomveil hospital. The breaking of slass retor, forming part of the up paratus in which Koelker was con ducting experiments with cyanide of potassium and ferro-cyanide salts re-loaned the gas which caused his death

The young chemist was alone where necident happened in the more ing he had been working with fidwin Rosenbarg, one of the hospital assist-ants, to help in a small room in the laboratory. With Resembarg's gas he set up a glass flash over a burner. Buted it with a thirtle tube and with a glass pipe leading from the sealed top of the flash to a presumatic trough. which rested an inverted final

for the collection of the gas generated in the glass retort. The whole apparatus was set up with great care under a hood to carry off the funces. Hosenburg the sessions, went out for his limes at 12 o'clock and was away from the inhoratory until ten minutes of one. When he returned because Keetley as the large Keetley. and Konsker on the floor. Keelle was rushed immediately to the oper sting room and Dector Connell open ed the chest cavity over the heart h treed on that organ. Though the beart was heating, after several minutes nanipulation partial circulation of the blood was artificially restored. The pulse thus started flickered a few moments and stopped.

#### ORANGE SHIPMENTS HAVE BEGUN NOW

Three Cars of Citrus Fruit Sent Bust From Redlands and Highlands; Sen on Is Late This Year.

San Bernardine, Calif., Dec. 11-Orange shipments have begun from the Regiands and Highland districts. The first car of oranges for the 1911-12 season was shipped out of Redlands regterday by the Redlands-Highlands Fruit exchange. The car

was shipped from the house at Craf-ton, the Orange Growers' amusciation and so far as is known was the first car to be sent from the Redlands dis-

I'wo cars were shipped from Eas Highlands yesterday by the same ex-change. The three ears were probably the first to be sent out of the county as there had been no report of any neuts from other cratico sections

The crange year out from Crafton were of the finest quality and will show up well in the eastern markets for the heliday trade. The packers here are making an effort to send out only the finest fruit. By doing this the shipments will probably be small. Oranges are coloring well now under the coating of the cold night, and

Christman fruit enat the Christmas fruit enat goes from Redlands will be as fine as any in the

rushed east for the Christmas trade. The rain put a stop to picking opera-tions, but this is only a temporary delay. Fruit must be in the houses this week in order to reach the eastern markets in time for the holiday trade.
